Foreword

We think of our days of hard study and participation in activities, such as Homecoming, Class plays, Sweetheart, and the school picnic. The other days passed by with games and dances, and hoarse voices from cheering and singing. Many days were shared with others through examinations and tests, deadlines and semester grades. There were brief moments of glory in sports and music; and sad moments of trial and error. Classmates, friends, and faculty have played an important part in those days. The days were fun-filled, exciting and highly educational. A.H.S. will always be remembered by all who have known it.

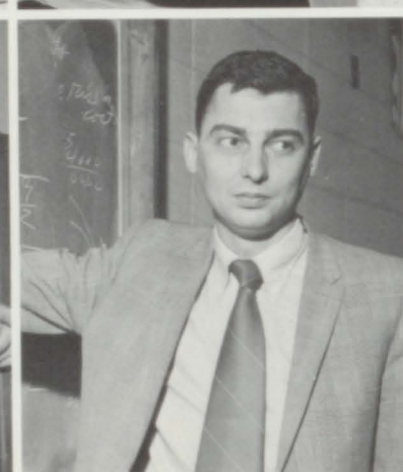

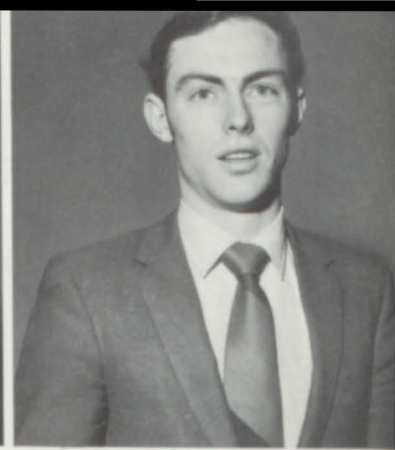

We, the Cubette Staff, have attempted to preserve the memories of those days of 1969-70 through words and pictures. You, the students of Alcester High School made those days; you lived them. So now, we present to you those days that were . . .

Expanded Faculty Fosters New Ideas

Guiding the students in their search for knowledge are the educators. They move among us, explaining, clarifying, and giving of what they know.

Beyond the classrooms and co-curricular activities we find our school staff coping with the many everyday problems with which they are faced.

Joining the faculty this year were Mr. Johnson, English; Mr. Bultsma, agriculture and shop; Mr. Swenson, instrumental; Mr. Meyerink, vocal; and Mr. Person, principal, bookkeeping and typing.

Through their help with co-curricular activities, the teachers hope to establish better student-teacher understanding. They try to prepare students for the future.

The faculty has the vital role of fulfilling the goal of a high school, providing education.

Student Council Proclaims Week of Change

The members of Student Council held meetings the first Tuesday of every month. They discussed many subjects and ideas for school-participation projects.

Some of their duties were as follows: to provide unity and co-operation of the pupils and faculty in all extra classroom activities of the school; to develop the spirit ideals, and practice of good citizenship in the school; to promote the general welfare of Alcester High School, its name, its reputation, and its possibilities for the achievement of its purposes; and to prove a satisfactory means of carrying on relationships with the other schools and businesses of the student organization.

Student Council members were chosen from each class at the beginning of the year. These students were faced with the responsibility of representing their class when making decisions.

School Board Decides on School Colors

Schoolboard members work on the business matters for the year.

The 1969-70 school board was given the responsibility of being the first elected board for the newly reorganized school district. Members of the school board spent long hours at the monthly meetings working out problems facing our school.

Along with the administration, the board is instrumental in the hiring of teachers, the organizing of school curriculum, and the formulating of school policy.

Three improvements discussed, approved, and acted upon by the board were the installation of a new intercom system, modern windows and the replacement of the electrical wiring throughout the school.

The board discussed the expansion and improvement of the library and the introduction of modular scheduling as future improvements.

Through their efforts and dedication, the school board helps to make our school a better place for education.

Staff Puts in Many Long Hours

There are other faces in AHS besides the students and the teachers. Completing his second year at Alcester was the custodian Mr. Leslie Limoges. His tasks were varied, time-consuming, and exhausting but he always found time for a smile.

The ability to do hard work, and put in long hours for planning the meals are only a few characteristics of our lunch room cooks. Many people appreciated the extra work put into special occasions.

Neither rain, nor sleet, nor snow could stop our bus drivers. Their main responsibility was getting the students to school safe and on time.

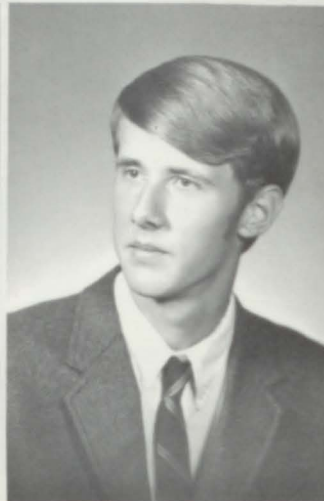

Custodians: Leslie Limoges and Mrs. Solberg.

. . . The Growth Continues

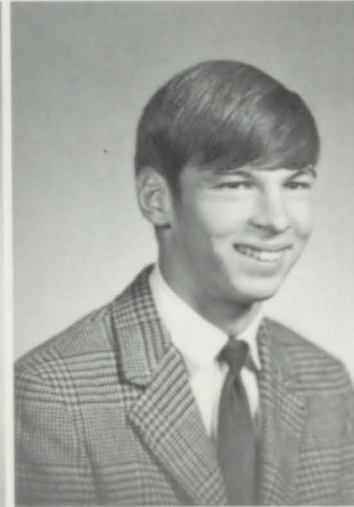

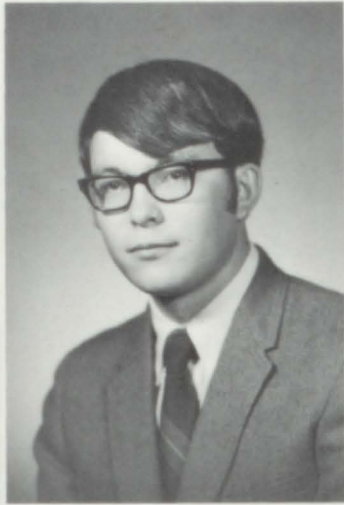

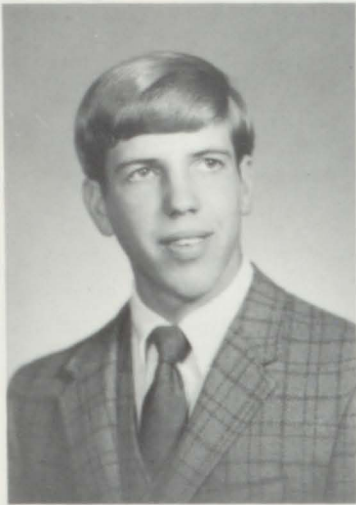

The thirty-nine members of the senior class of 1970 have had their share of successes and momentous times. But it may be the insignificant things, such as a kind word or a helping hand, that will have made the greatest impression on them. They have given our school many outstanding leaders, scholars, royalty, and athletes, plus a variety of personalities and faces.

With two required subjects, English IV and American government, plus various electives and co-curricular activities, the seniors were thoroughly preoccupied. Special events included government day in Elk Point, "Earth Day" in Vermillion, skip

day in Omaha, and a prom presented by the junior class.

An unforgettable memory will be "The Legend of Handsome Herbie" presented by members of the senior class. It was given in a series of skits created by Julie Newman. Starring Gordy Anderson as the dynamic hero with Charles Ellingsen as his much betroubled love, Priscilla. It resulted in much enjoyment for all.

Caught in a world of conflicting emotions and ideas, the seniors face a new challenge with anxiety and hope, sadness and happiness. Only the individual student can judge the value of four years of high school in preparation for entering this world.

Jr. Class play in action.

Now being official upperclassmen, the juniors continued their education and increased their participation and responsibility in the school.

Their primary aim during the year was to raise money for the annual Junior-Senior Prom. Funds were accumulated by diligent work in concession stands and persuasive talk in selling magazines.

New experiences of the year included transforming the auditorium into a "Garden of Eden" for prom, and presenting "The Magic Touch" for the class play. To assure others they were truly juniors, they proudly wore their new class rings.

Sophomores Set Goals

With one year of high school already to their credit, the sophomore class faced 1969-70 with renewed determination.

Required courses for the sophomores were English II and physical education. Biology, geometry, typing, world history, home economics, and agriculture were offered as their elective courses.

The activities most associated with being a sophomore are being responsible for gathering the materials for the bonfire at homecoming and dissecting in biology class.

Having completed two years of high school the sophomores are no longer novices, but not yet masters.

... New Way of Life

Peggy Newman and Sheryl Solberg
 practice tennis in P. E. Class.

A new and different challenge awaited the freshman as they entered the world of A.H.S. They quickly adjusted to having seven hours of their daily life regulated by the ringing of bells and apprehensively made their way through the crowded halls to get to their next class on time.

In October the freshman took the Lorge-Thorndike Intelligence Test and the Iowa Tests of Educational Development. In March they took the Kuder General Interest Survey.

The freshmen's daily routine included two required courses, English I and physical science, and, a choice from the following electives to complete their schedules: Home Economics I, Agriculture I, World history, Algebra I and math. They were quickly absorbed into the system of higher learning as they also found time to participate in many of the co-curricular activities offered.

Cubs Display Fighting Spirit

Even though the Cubs failed to win a game this year, they gained valuable experience and confidence. The Cubs were paced by Calvin Reppe and Mike Peterson, who were named to the Big "8" All-Conference Team.

The Cubs showed a marked improvement over last year. Three games were lost by a margin of six points or less. These games were against Parker, Elk Point, and Centerville.

Prospects for next year look promising, with a number of returning lettermen including Jeff Sogn, Dave Peterson, and Dave Limoges; who were named to the Honorable Mention All-Conference Team.

B-Team Displays Spirit and Desire

The B-team players started their season with a maximum of energy and enthusiasm. They came through the year with a record of six wins and eleven losses. The year was also devoted to improving their skills, that they might gain an honored position on the varsity in future years.

The team was coached by Mr. Lanny Gustad. The twenty-nine participants worked hard to get in shape for the season.

The Cubs basketball team had a winning season in 1969-70.

The highlight of the season was when Alcester captured third place in the first annual Big "8" conference tournament during Christmas vacation. However, the Cubs didn't fare quite so well in regular season conference games, winning one and losing six to other Big "8" teams.

Gary Kruse, sophomore forward, had the honor of twice being named to the Sioux Falls Argus Leader's, "Ace of the Week" list. He received the awards for outstanding play against Augustana Academy and Centerville.

To end the season, the Cubs received third place in District 22 Tournament play after losing to Hurley.

The "A" Team included; seven seniors, four juniors, and one sophomore. Although the majority of the team will be lost to graduation, prospects for a winning year in 1970-71 look excellent with Gary Kruse, Don Jervick, and Gary McKellips as returning let-terms.

Alcester Holds Second Annual Invitational

The 1970 track season proved to be successful for the Cubs. It was a year of learning and developing with only five upperclassmen on the squad.

Don Jervick represented Alcester at the State Track Meet in the 440 yard run. Three other track men places at the Regional Track Meet, they were: Gary Kruse in discus, Steve Sigman in the mile run, and Kevin Johnson in the two mile run.

Two school records were established during the season. Don Jervick ran the 440 yard run in 52.4 and Gary Kruse hurdled the discus to 140'4" and the shot to 43'9"

One of the highlights of the year was the Alcester Invitational in which Alcester placed 5th out of the eleven schools participating.

Seven Participate in Cross-Country

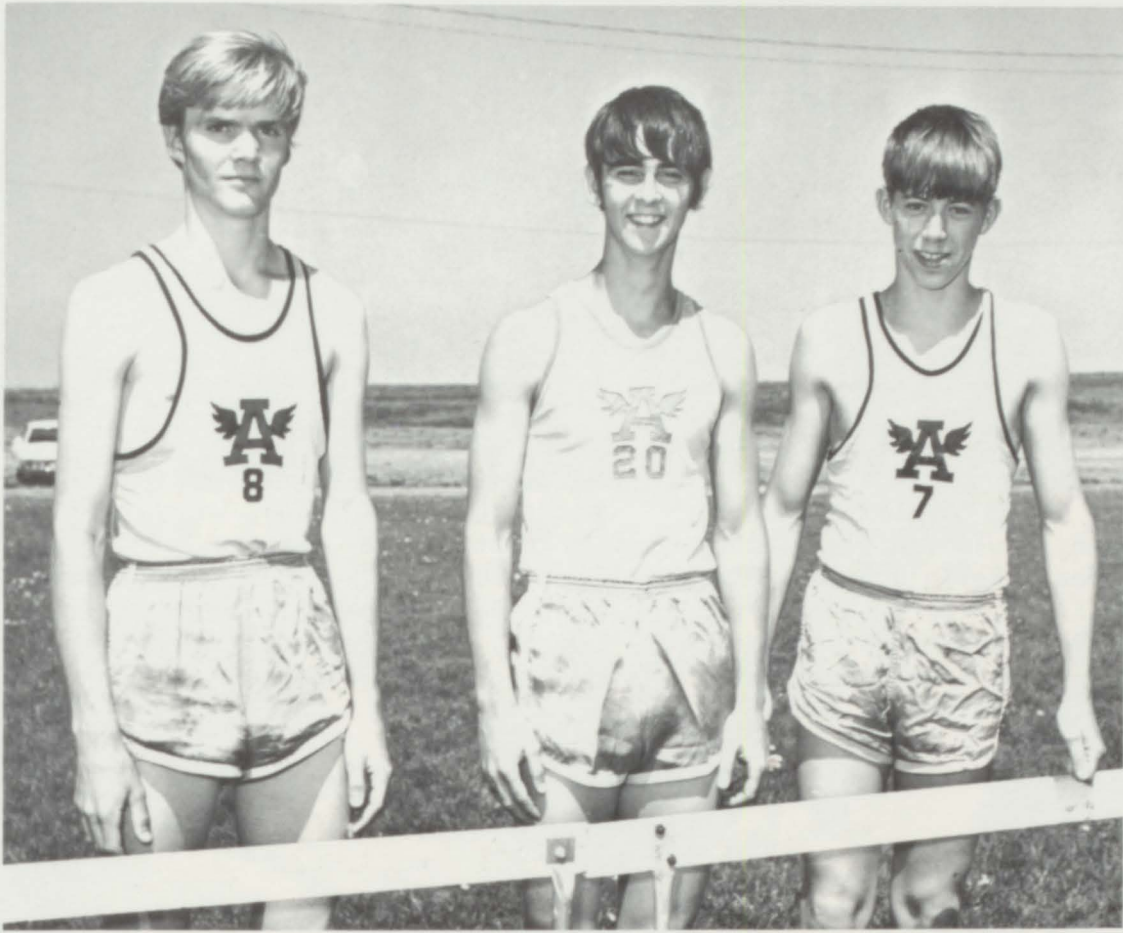

Jim Trudeau and Steve Sigman received letters for their fine efforts in cross-country. To earn a letter, one must place in a meet according to the number of runners participating. Jim finished 12th in the "Big-8" meet at Lennox. Steve finished fourth in the junior varsity division of the Vermillion invitational and 43rd in the state track meet in Brookings.

Each boy must run two and one half miles at each meet they attend. Our runners participated in the Vermillion and Lennox Invitationals, the state meet at Brookings, and the Big-8 meet at Lennox.

Eleven athletes participated in cross-country this year. They were: Steve Sigman, David Sigman, Wallace Beeler, Jim Trudeau, Dan Danielson, Richard Roduner, Gary McKellips, Marlin Day, Gary Johnson, Charles Newberg and Gaylan Baker. The cross-country coach was Mr. Kroger.

Year Sees Larger A-Club

To become a member of the A-Club, a student must have excelled in at least one sport and received a letter, or be a student manager. Upon acceptance into the club by the other members, the athlete must continue to live by the standards set up by the club.

Several projects were begun by the A-Club this year. Among these was a plan to revise the club's constitution. Also, letters were sent to other schools in the area to compare lettering procedures and to possibly improve present lettering procedures at A.H.S. Work was done on up-dating the track records and preparing them for public display.

Officers of the A-Club for 1969-70 were: president-Calvin Reppe; vice-president-Dave Peterson; and secretary-treasurer-Murray Mollet.

The coaches, Mr. Glen Kroger, Mr. Lanny Gustad, and Mr. Larry Simeonsma, advised the club.

Speaker at the Athletic Banquet, Don Jacobson, talks about his experiences as a player and coach.

Organizations

Pep Club members got right into the spirit of both the football and basketball seasons. They sold booster buttons, and at every home game, sponsored the coat check.

At games and pep rallies, pep club members put all their energy into cheering the team on to victory.

The officers were: Marji Anderson, President; Betsy Ann Lykken, Vice President; Jean Hultgren, Secretary; and Karla Sommervold, treasurer. Mr. Meyerink acted as Pep Club advisor.

A great amount of individual effort went into the many activities of the Pep Club. Their enthusiasm spread throughout the school, promoting much school spirit.

Cheerleaders Support Cubs

No matter what the conditions or individual feeling, the cheerleader must put on a happy face and inspire fans to cheer the team to victory.

In the spring of 1969 the student body elected the following A-team cheerleaders; Shari Wahl, Julie Carlson, Sydelle Numsen and Jolene Wetrosky.

Pep Club elected the B-team cheerleaders. They were Romona Jurgensen, Sandy Harlow, Carla Boom and Doris Israel. Karen Albers was elected as a substitute.

All the cheerleaders spent many long hours learning new cheers, planning pep meetings, and working on interesting ways to get the students to show school spirit.

The excitement of cheering at games and supporting the team in victory or defeat made all their long hours of practice worth while.

Cubette Staff Captures Those Days

In the preparation of the yearbook, the staff is confronted with many problems to overcome, new ideas to portray, original ideas to discover, and deadlines that inevitably came too soon. From a seemingly hopeless assortment of material, it was their task to create a memorable yearbook.

The project of planning the yearbook fell upon Editor Mary Hendricks and Co-editor Carla Sundstrom. The members of the staff worked many hours to fill these pages with "those days" of 1969-70.

Dakota Informs Student Body

CO-editors Julie Newman and Colleen Fickbohm spend many hours on the paper.

Despite last minute additions, revisions and delinquent stories, the Dakota staff put out their monthly paper covering the school activities. The Dakota contained editorials, sports results, stories about special occasions and a few senior profiles each month.

Long and often difficult hours were spent preparing the paper by all the staff members.

Co-editors for the Dakota were Julie Newman and Colleen Fickbohm.

In the fall several of the staff members and advisor, Mr. Melvin Ptak, attended the annual press conference in Brookings. There they received an "All-State" rating on the publication for the year before. Several new and original ideas for writing stories, typing stencils and setting up the pages were learned to help produce the school paper.

F.H.A. Holds First Regional Meeting

"We the Future Homemakers of America . . ." was the beginning of the creed that was heard at each monthly F.H.A. meeting. The year's activities were planned around the national and state F.H.A. goals and projects. Some special events this year of the F.H.A. were: regional convention held in Alcester this year, Daddy-Date night, and the Mother-Daughter Banquet. They were also in charge of serving the Father-Son Banquet, and the Athletic Banquet.

Mrs. Ericson served as chapter advisor throughout the year with Sydelle Numsen as president.

Sydelle Numsen, Karla Sommervold, and Betsy Lykken acted as hostesses during the Regional IV Convention.

F.F.A. Earns Money Selling Fruit

The Future Farmers of America deal with more than just farming. They believe in helping America, by strengthening local levels, the community and school, to function as one.

For some, FFA was to be remembered at special times like the Father-Son Banquet, the state convention at Brookings, and the National Convention in Kansas City which Monroe Harders and Bob Huenink attended.

This year the FFA boys repaired the concession stand and operated it at all home football games. They also sold citrus fruit at Christmas time which brought up the chapter fund considerably.

The FFA officers for 1969-70 were: Monroe Harders, President; Eldon Beeler, Vice President; Bob Huenink, Secretary; Doug Johnson, Treasurer; Mike Limoges, Reporter and Dave Limoges, Sentinel.

Band Performs in Three Concerts

The Alcester High School Band, under the direction of Mr. Gary Swenson, enjoyed another year of musical training and activities.

The band marched at both Dakota Day and Viking's Day, and participated in the half-time performance at Augustana's Homecoming game. A special half-time performance was provided at Alcester's Homecoming game. The band helped boost school spirit by playing pep music at all of the home football and basketball games.

The band, high school vocal department and the grade school presented the winter concert. The musical groups played several of the same numbers at the spring concert and large group contest.

Small Groups Perform at Contest

A better-balanced chorus was achieved this year by limiting the number of voices in each of the four sections. Practice was held every Friday during seventh period.

At the beginning of the year, chorus was hard at work preparing for the winter concert in December, and later for the spring concert in March.

Mixed Chorus presented "Be Thou Not Still" and "Come Unto Him" at the regional contest on April fourth and received a good rating. After contest work was started and songs improved for the pops concert in May.

One member from each of the four sections of chorus was chosen to represent Alcester at All-State Chorus on November seventh and eighth in Sioux Falls. The following were chosen: Lanice Hansen, soprano; Jolene Wetrosky, alto; Jeff Sogn, tenor; and Allan Saugstad, bass.

A.H.S. Begins New Boys Glee

Vocal music instructor Mr. Larry Meyerink, recruited twenty boys and began a long-hoped for boys glee. The boys held practice every Tuesday and Wednesday during seventh period. They worked hard on music for both boys glee and mixed chorus. The boys glee club greatly added to the sound of the mixed chorus.

Fifty-four girls participated in girls glee every Monday and Thursday during seventh period. They also practiced chorus music in addition to the girls glee music.

During the year, both the girls glee and boys glee performed at the winter concert, spring concert and pops concert. Both glee clubs also took selections to the regional contest where they received good ratings.

Library Has Largest Volume of Books Ever

Under the guidance of Mrs. Elsie Aaen, thirteen students comprised the library staff at A.H.S. Their duties included: checking out, repairing, and cataloging the numerous books and magazine's in the library. The time spent working in the library was both educational and helpful to the students.

A paperback library was also opened to the students, supervised by Mr. Douglas Johnson.

Declam is Enjoyed by All

Students accepted the challenge to "try something different" by taking declam. They were under the supervision of Mrs. Aaen and Mr. Johnson. A student was chosen from each division to compete in the district contest. Our representatives were: Julie Newman, poetry; Joyce Fickbohm, humorous; Carla Sundstrom, oratory; and Jan Ludwig, dramatics. They all received excellent ratings.

German Club has been in existence for two years. The members were from the German I and II classes.

The club's purpose was to inform the German students about Germany's people and customs. Films, skits, reports, and games were utilized for this purpose.

For special occasions, such as Christmas and Easter, bulletin boards were put up by the members. A special event was a potluck supper at the last meeting of the year.

With Mr. Delmer Schnabel as advisor, Joyce Fickbohm-president; Gordon Anderson-vice-president; Marlin Day-secretary; and Annette Danielson-treasurer, served as the German Club executive.

Juniors Create "Garden of Eden"

The annual Junior-Senior Banquet and Prom was held at the Alcester Community Auditorium on Saturday, May 9 with the theme being "The Garden of Eden." Decorations and entertainment were provided by the Junior Class in honor of the Seniors.

Entertainment at the banquet included a vocal duet by Jeff Sogn and Arlo Lykken and reading of the will, history, and prophecy of the Senior Class. Master of Ceremonies Gary McKellips introduced the main speaker who was Mr. Douglas Johnson. Also a song was provided by the sophomore waiters and waitresses.

Music for the dance was provided by the "Tensions." After the dance, the students attended a movie in Hawarden.

Breakfast was served immediately after the movie.

Juniors Perform "The Magic Touch"

The juniors first attempt at the theatre proved, to be a delightful success. After long hours of practice, they presented "The Magic Touch", a three act comedy, on November 17 and 18. The play was directed by Mrs. Elsie Aaen.

The play was centered around a young girl named Bobbette Braddock, who acted like a tomboy. Throughout the play she would rather play football with the "Dirty Dozen" than be in her mother's style show.

The senior class presented "Arsenic and Old Lace"; on March 20 and 21; directed by Mr. Douglas Johnson.

Events revolved around two sweet, elderly ladies, who helped lonely, old gentlemen, by putting arsenic in their eldeberry wine. The supporting cast added much to the comedy.

Good casting, costuming, make-up, and scenery, helped to make it a successful venture for all those who took part.
