The hushed audience waited as mistress of ceremonies, Sharon Daneilson, announced Darla Anderson and Tim Winquist as 1973 Homecoming King and Queen.

The mistress of ceremonies for that May 3rd night was Carolyn Johnson.

The waiters and waitresses served dinner after which Randy Medema welcomed the guests. On behalf of the seniors, Dave Van Ballegooyen gave the acceptance. Next the waitresses had an "old fashioned" style show. The junior class then presented a W.C. Field skit. The history of the senior class was told

by Kirk Johnson, followed by a medley of "old fashioned" songs sung by the waiters and waitresses. The future of the senior class was read by Steve Farley. Dave Van Ballegooyen presented the senior's will to the juniors. The banquet was brought to an end by the swing choir singing "Just an Old Fashioned Love Song."

After the banquet a dance was held from 9:00 to 12:00 with music by the "Wonder Band." Following the dance, all were invited to attend "The Last of Shelia" at the Sioux Theatre. Breakfast was then served by the junior class parents.

On October 18, the local declam contest was judged by judges from Augustana College. The four local winners were: Becky Cooper-oratory, Linda Rogness-poetry, Cindy Anderson-humorous, and Randy Medema-dramatic.

The district contest was held in Canton, South Dakota on October 26. Becky Cooper, Linda Rogness, and Cindy Anderson received good ratings and Randy Medema received an excellent rating. Randy then went on to the regional contest in Sioux Falls on November 5 and received another excellent rating.

Two Make All-State

"Moonride" was one of the new pieces of music the band played this year. It was a change from the old style music, since "Moonride" is a song with electronic background music on tape. The Alcester High School band has 48 members, who, under the direction of Mrs. Hedeem, have traveled to Brookings and Vermillion to march in the Hobo Day and Dakota Days parades. Band members also took part in performing in a Christmas concert on December 10, Spring Concert on April 19, and the Pops Concert on May 10.

Throughout the year the band worked on pep music and formed a pep band that played at all of Alcester's home football and basketball games.

This year at the small group instrumental contest those receiving superior ratings were soloists Rhonda Kleinhans, Joni Eilers and Tim Johnson. The Woodwind Choir also received a superior rating.

On January 11 Tim Johnson, Sharon Danielson, Rhonda Kleinhans and Joni Eilers auditioned for the 1974 All-State Band. This year Rhonda Kleinhans and Tim Johnson were chosen to play in the 140 member band.

14 Members Make up Newly Formed Honor Society

One of the newly formed clubs this year at A.H.S. is the National Honor Society. The Honor Society consists of Junior and Senior students who have a grade average of a B+ or better.

The Club is made up of 14 members.

Some of their business has been getting Honor Society pins, ordering cords for graduation, and making money. The club's advisor is Mr. Zingler.

Librarians Dust and Straighten

A familiar sight in the library this year are the Student Librarians dusting, putting up postures, books-of-week, and straighting up the books. The Student Librarians will, by working in the library, strive to earn points in which to earn their librarian's pin. The Student Librarians work along with Mrs. Goldammer, librarian, to make the library an organized neat place in which to study and get information.

New within the library this year is the newly formed librarians club.

Through this organization, the Student Librarians find out more about the library, new books, and related subjects. The advisor of the Library Club is Mrs. Goldammer.

German Club Decorates Classroom

One of the highlights of the German Clubs year was their annual decorating of a classroom Christmas tree. The Club has been meeting once a month during their German class to discuss business and have an enjoyable time playing games and having discussions.

The German club is made up of six members: Roger Wennblom, President; Barry Fickbohm, Vice-President; Mary Jo Ronning, Secretary; Sharon Danielson, Treasurer; Lisa Sogn, Student Council Representative; and Brad Kiewel. Their Advisor is Mr. Schnabel.

FHA Adopts Grandmothers

Members of the Future Homemakers of America led by their eight officers and chapter advisor Mrs. Erickson worked together to aid the community, promote home economics, and to have fun.

Each FHA member adopted a "grandmother." The girls helped their adopted grandmothers individually throughout the year by helping her, running errands, or by just visiting with her. FHA'ers also cooperated with the FFA in a paper drive.

The girls raised money for their organization by selling concessions at football games. A "white elephant" silent auction was held to make money for the scholarship fund.

Special highlights during the year were Daddy-date Night, Mother-daughter Banquet, and the FHA-FFA roller skating party.

FFA Held Paper Drive

The 1973-74 year was a busy one for the Alcester FFA chapter. Their monthly meetings were led by President Tim Winquist and their advisor, Mr. Quick. Other officers for the 1973-74 year were: vice-president-Bryan Eden, secretary-Steve Farley, and treasurer-Paul Saugstad.

Again this year the FFA sold citrus fruit to people in the community. The highlight of the year was the Father-son Banquet. Members also took part in various judging contests. Something new that was put into action this year was a paper drive. Once a month the FFA with the help of the FHA went around the city of Alcester and picked up old newspapers that the people of the community donated. This was a project that was not only fun to do but also helped the community. Another project of the FFA was landscaping around the new school building.

This year Tim Winquist received the State Farmer degree which is the highest degree awarded in South Dakota to an FFA member. Gary Kots received a \$100 check for winning the Funks 304 Challenge.

Dakota Tells the News

Each month news of Alcester High School activities was published in the school paper, the DAKOTA. A student staff consisting of editors, art editors, feature editors, sports editors, typists, and a production manager worked hard to get the publication out on time.

The DAKOTA included coverage of special events and meetings, sports stories, editorials, interviews, and a little humor.

Randy Medema, editor, assisted by Becky Cooper and Mr. Melvin Ptak, advisor, had the task of getting the paper out at the end of each month.

Each month reporters checked the "beat sheet" to see what stories they had to write. Once these stories were turned in typists typed the rough drafts so that the editors could plan out the pages. These pages had to be typed on stencils. From here art editors took care of headlines and drew in original sketches.

Feature editors were responsible for feature pages which included such articles as senior interviews, coming events, and the school grapevine. Sports editors took care of Cub's corner and some sports stories. A production editor had the final job of running off all the pages.

Dakota Staff: Seated-Debbie Moller, Susan Pearson, Gloria Espeland, and Vicky Thormodsgaad. First Row-Mr. Ptak, Lisa Sogn, Becky Cooper, Rhonda Richter, Carolyn Johnson, Darla Anderson, and Rhonda Kleinhans. Second Row-Jim Huenik, Kent Honglo, Brad Kruse, Randy Medema, and Marlys Holtkamp.

Hours of Thought, Typing and Pasting

The Cubette staff centered the 1974 annual around the theme "You've Come A Long Way" and tried to cover every aspect of life at AHS so that this would be a year that all would remember.

Much time was spent writing and typing stories, planning pages, and the many other things that go into making a yearbook possible.

This year's staff consisted of editor-Mary J. Sundstrom, co-editor-Kay Hendricks, copy editors-Mary Jo Ronning and Linda Rogness, business staff-Lorrie Wetrosky (manager), Darla Anderson, Joni Eilers, Lisa Sogn, and Rhonda Richter, typists-Rhonda Kleinahns, Paula McKee, Gloria Espeland, Sharon Danielson, and Marlys Holtkamp and photographers-Brad Kiewel and Sue Berdale. Mr. Winter was the advisor.

The 1973 Cubette received an "All State" rating at the Press Conference in Brookings.

The Team's Support

The pep club's main goals this year were to encourage school spirit, support the teams, and help sponsor the cheerleaders. Officers for the organization were president-Frances Reppe, vice-president-Charmain Hagen, secretary-Becky Cooper, treasurer-Vicky Thormodsgaard, and advisor-Miss Uttecht.

Three money making projects were conducted by the pep club. The girls sold mums at Homecoming, had coat check while games were still played at the old gym, and held a bake sale with the proceeds going to the cheerleaders.

The pep club was also responsible for the judging of the A team football and basketball cheerleaders.

G.A.L. Is Formed

The Girls have come a long way this year by starting the Girl's Athletic League. Now that the girls are able to letter in a sport or by cheerleading, they started their own league. To letter the girls have had to put in long hours, great dedication, and hard work to improve their skills.

Fourteen members belong to the G.A.L. this year. All girls had to letter in track or cheerleading.

This years G.A.L. officers were President-Linda Rogness, Vice-President-Jane Eilers, Secretary-Treasure-Darla Anderson. The advisor was Mr. Brown.

Along with selling magazines, the girls put on an ice-cream social, selling homemade ice cream. The girls will be using this money to buy a girls track record board.

A-Club Changes Lettering System

This year the A-Club consisted of 28 lettermen with Mr. Andersen as the athletic director.

One important change was made this year concerning lettermen. If you have lettered within the sport you are participating, after that season you will receive your letter and bars earned during that season. Also you may join A-club as soon as the season is complete in which you lettered in.

Two Qualify for State

Though the 1973 cross-country team was short in numbers this year, the Cubs did well with five of the seven members as underclassmen. The team consisted of Brad Kiewel, Doyle Barnes, Ricky Hongslo, Scott Lusk, Scott Heiman, and the two returning lettermen Kurt Sommervold and Grant Homandberg.

The Cubs hosted the Big Sioux Conference this year in which they placed

fourth. The team traveled to 12 different duals and invitational meets placing well in each one. In class B division, they placed second. At the regional meet, the Cubs took the placings of 12th, 17th, 22nd and 24th with the team receiving 5th place. Qualifying for the state meet were Grant Homandberg placing 31 and Doyle Barnes placing 64. The cross-country team was coach by Mr. Kroger.

First Two Games Won

The Cubs started off with a great season winning 2 games but ended disappointingly by losing the last 6 games. The long hours of practice started in the middle of August. They spent much time in hard work and practice, along with a lot of determination.

The Cubs were led by head coach, Larry Siemonsma, assisted by Bill Hoyt and Jerry Joachim.

Brad Kruse received Ace of the Week for rushing 212 yards in one game. Craig Kruse also received an Ace of the Week award. Brad Kruse was leading rusher for the season. Mike Kjose was leading man in tackles. Bryan Eden, Doug Reppe, Bruce Day, Grant Homandberg, Lynn Hagen, Roger Wennblom, Kent Hongslo, Charles Ericson, Tim Winqvist, Clint Tucker, and Jim Dunlap, all seniors, were great assets to the team.

Mike Kjose and Charles Ericson were named All-Conference team members. Brad Kruse, Tim Winqvist and Bruce Day received honorable mention award.

The Cubs were host to four of their eight games this season. The wins of the season were Elk Point and Centerville.

Jr. Varsity Gain Experience

The junior varsity football team consisted of an equal number of freshmen and sophomores. They gained valuable experience as they played together throughout their seven-game season.

The team's record was 1-6 with many close games. The final game was a convincing 26-12 victory. In that game against Lennox, the young Cubs scored with ease.

The B-basketball team began the season with high hopes. Due to lack of experience, it took awhile for the team to get going, but as the year progressed the self-confidence and skills of the players improved; and, they racked up an 8-10 record.

The team consisted of seven sophomores and five freshman. None of these players had ever played in a varsity or B-team game because of the old policy of past years only allowed sophomores and juniors on the B-team.

Both the junior varsity football and B-basketball teams were coached by Mr. Joachim.

B-Team Basketball: Kneeling-Bill Trudeau, Mike Schouten, Rick Hongslo, Perry Schempp, Barry Hughes, and Vaughn Johnson. Standing-Duane Ryken, Brad Kiewel, Brad Kleinhans, Kurt Sommervold, Pat Kruse, Scott Lusk, Warren Johnson, and Mr. Joachim.

Cubs Placed Third in District Tournament

Two new assets to the basketball team, besides the players, this year were the new uniforms and the new gym. Because of the new uniforms three more players were added to the bench. Five underclassmen dressed for the varsity this year and this added plenty of hope for the future.

Brad Kruse led the team this year with 281 points and also received a Sioux Falls Argus Leader Ace of the Week Award. Keith Wurtz was not far behind with 258 points along with being the leading rebounder with a total of 240 rebounds for the season. Keith also received an Ace of the Week Award.

Mr. Andersen was the head coach this year assisted by Mr. Joachim.

At times during the season things looked gloomy for the Cubs, but the Cubs came through at the end of the season as they always do, and placed third in the District tournament.

The New School

Students at Alcester from kindergarten through the 6th grade have the privilege of attending classes in a new building this year. The "open class concept" is classes with only moveable partitions, bulletin boards, tables, etc. to divide the rooms. The kindergarten is separated by a moveable folding wall. The library is the center area of the open classroom.

All students join in the library area each morning for announcements, flag pledge and each month a new patriotic song is learned.

At various times during the day during reading, science, or if certain teachers exchange classes for teaching something specific to another group as they do in Social Studies and other classes, the students go to different areas. Some students are also allowed in the library area for study.

Several high school students serve as cross-age peer helpers and four teachers' aids also assist.

The students have hot lunch served in the "commons" at noon. It is brought over to the grade school from the high school. The grade students also have use of the new gym and locker facilities for their P. E. program.

Instrumental lessons and music are also taught at the school in various conference rooms and group music in the large room located near the entry. Mr. Saugstad is the grade school principal.

Juniors Participate and Take Responsibilities

The forty-two members of the junior class were kept busy throughout the year. Their participation and responsibilities increased with this added year of education.

They presented "Night of January 16th" as their first class play. They worked many hours preparing for this new experience. Mr. Joachim was their play instructor.

This was the year for choosing and ordering class rings. They were proudly displayed by all class members.

The largest responsibility of the junior year was preparing for the Junior-Senior prom. An entire week of work was spent changing the auditorium into "Just An Old Fashioned Love Song." The funds needed for prom were accumulated by the annual sale of magazines and the operation of the concession stand at home basketball games and wrestling matches.

Two required courses, English III and American history, were taken by all the juniors. Algebra II, German, ag III, bookkeeping, business law, sociology, psychology, home economics, and art were offered as elective courses. Many juniors also participated in extra-curricular activities. Mrs. Goldammer was their class advisor and helped the class in many of their activities.

Seniors Make Their Last Year the Best

This year, as in other years, the seniors put forth their greatest effort into every school activity to make the last year their best. Seniors worked hard in athletics, studied hard, planned together, and sometimes goofed off to make each occasion a memorable one.

During the year, seniors were kept busy with many activities. In November, a cast of seniors presented PENNY ANTICS, a three act comedy. Also in the fall, seniors took their graduation pictures and exchanged them with each other. Many seniors began planning for their future by visiting schools, talking to the guidance advisor, and taking such tests as the ACT.

“Life Is a Journey Not a Destination”

"Life is a Journey not a Destination", is the motto of the 1974 graduation class. 48 seniors graduated on May 21, 1974. The seniors chose as their graduation colors sky blue and yellow. The yellow rose was the class flower.

On May 19, Baccalaureate was held. Reverend Robert Toren gave the invocation, sermon, and benediction. The girls chorus presented the song "Time in a Bottle" along with a number by the woodwind choir.

May 21 was the graduating night for the seniors. The seniors presented their own program. Mr. Brown, Mr. Joachim, and Mr. Andersen spoke to the seniors. The graduation class was entertained by a senior class swing choir singing the song "Last Song", girls ensemble singing "One Tin Soldier", Tim Johnson presented a baritone horn solo.

The AHS band played the processional and recessional. The exercises were held at the new elementary gym.

Two Join A.H.S.

Teachers have various jobs to perform during the year besides trying to get some knowledge of a certain subject across to each student. Some of them are: acting as advisors for each of the classes and special organizations, keeping discipline in study hall, and supervising students on special trips. These extra jobs add variety to a teacher's job.

Two new teachers joined Alcester High School this year. They were Mr. Vernal Andersen, who took the job of A-team basketball coach, and taught American History, Psychology, World Problems, and was athletic director, and Mr. Mark Winter, who taught Physics, Physical Science, 8th grade math, and was the assistant wrestling coach.

The Administrators confer over school business matters.

In Memory of Mrs. Cole

The faculty and students of Alcester High School wish to set aside this page to Mrs. Gladys Cole in memory of her ten years of teaching in the Alcester schools. Mrs. Cole was a member of Lands Lutheran church. Before coming to Alcester she previously taught in California and Illinois. Mrs. Cole passed away on April 2, 1974 at the McKennan Hospital, Sioux Falls, South Dakota. Although she is not here with us, her happy disposition and helping hand, with life unto those of us who were fortunate enough to know her, will be a constant memory.

Governing Bodies Plan

The Student Council held their meetings during the noon hour this year. The meetings were held to discuss school activities and problems. The student council was in charge of concessions at two track meets, intramural basketball games, planning Homecoming and Sweet-heart, and Christmas part. The president this year was Tim Winquist and Mrs. Ericson acted as advisor.

The school board had many issues to discuss and decide on throughout the year to keep the school going. They planned the dedication ceremony for the new school

and gym, set up budgets and offered contracts to the teachers.

Sunday, April 21 marked the open house and dedication for the new Alcester elementary school and gymnasium. Nearly 500 persons toured the structure and attended the program. Construction for the \$616,000 building began in September, 1972. The structure is situated on 12.8 acres of land on the east edge of Alcester. The building, which opened last October, contains 26,240 square feet of space and has a student capacity of 210.

The Special People

Many people besides teachers are needed to keep a school system running smoothly. These extra people put in a lot of hard work each day to get their own specific job done.

Each day the cooks provided a hot meal that was nutritionally balanced. The meals were served at both the grade and high school.

Bus drivers were kept busy by bringing students to and from schools. They were also responsible for bringing students to extra activities such as games, music contests, and field trips.

It was the custodians duty to keep the school building neat and clean.

Work in the school office was efficiently done by business manager, Donovan Larson and secretary, Marchi Lingert. Mr. Larson kept track of funds for the school. Mrs. Lingert handled such things as attendance records and correspondence.

Top: Mrs. Lingert and Mr. Larson were very efficient help in the office.

Middle: Custodians Mr. Keiser, Mrs. Solberg, and Mr. Embrock were very familiar sights before, during, and after school.

Above: Bus drivers, Mr. Hartman, Mr. Quick, Mr. Saugstad, Mrs. Muller, Mr. Keiser, and Mr. Oaks, relax during a rare moment of peace and quietness.

Below: Mrs. Trudeau, Mrs. Hendricks, Mrs. Harders, Mrs. Shcouten, Mrs. Johnson, and Mrs. Anderson were kept busy with preparing meals for both schools.
