

# **STUDENT BULLYING**

The Alcester-Hudson School District is committed to maintaining a constructive, safe school climate that is conducive to student learning and fostering an environment in which all students are treated with respect and dignity.

Persistent bullying can severely inhibit a student's ability to learn and may have lasting negative effects on a student's life. The bullying of students by students, staff or third parties is strictly prohibited and shall not be tolerated.

Bullying consists of physical, verbal, written or electronic conduct directed toward a student that is so severe, pervasive and objectively offensive that it:

1. has the purpose of effecting or creating an intimidating, hostile or offensive academic environment, or
2. has the purpose or effect of substantially or unreasonably interfering with a student's academic performance which deprives the student access to educational opportunities.

This policy is in effect while students are on property within the jurisdiction of the board; while students are in school-owned or school-operated vehicles; while students are attending or engaged in school-sponsored activities; and while students are away from school grounds if the misconduct directly affects the good order, efficient management and welfare of the school district.

It shall be the responsibility of the superintendent to develop administrative regulations, in accordance with this policy, to protect the district's students from the harmful effects of bullying.

This policy shall not be interpreted to prohibit civil exchange of opinions or debate protected under the state and federal constitution where the opinion expresses does not otherwise materially or substantially disrupt the educational process or intrude upon the rights of others.
