This letter is regarding Driver Education. State Law does not require schools to offer Driver Education and no credit is received towards graduation. However, the Alcester-Hudson School Board has elected to continue offering this class and has set a fee of \$225.00 per student to cover some of the costs of Driver Education.

The fee must be paid before April 1, 2023, or students will not be able to complete the class.

Classes will be held during regular school hours starting March 10<sup>th</sup> (beginning of 4<sup>th</sup> quarter).

Would you please indicate whether you wish to have your child enrolled in this course and return the form below to school by Friday, January 27<sup>th</sup>. Thanks.
