

Alcester - Hudson Boys Basketball Summer Program

To Parents / Guardians of Boys Basketball Players:

To start, the coaching staff here at Alcester - Hudson would like to thank you. We appreciate the time, effort, and money that goes into allowing your child to participate in athletics, specifically basketball. The summer time is a great time to improve skills as an individual, and to build team collaboration. We also understand that this is time for the students to relax and take some time off, as well as plan family vacations and other summer activities such as baseball, summer camps, and jobs.

We are trying to build up the program from the Varsity level all the way to the elementary level, and this requires that we put in the extra time. The players from grades 8 - 12 all have a summer packet that they will use to fill out their hours for basketball and weight room time. The packet also has a calendar of events and reminders of camps throughout the summer. Please use the calendar for personal use (baseball, vacations) as well as to remember the dates of basketball camps. Also, as we know the kids can be forgetful, please help them keep track of the packets.

The gym and weight room will be open every weekday from 6 - 9 a.m. and we will have open gyms on Monday and Thursday mornings from 8 - 9. These are Not required by any means, yet more suggested. As we mentioned, we understand everyone is busy this time of year, so if you don't make it every day you don't have to worry - they won't be cut! We are looking to build the program, meaning we need all the players we can get.

Lastly, we want to inform you on the summer camps that we have lined up for the boys.
